 — Upper Extremity (non joint) Left Right
☐ Hand ☐ Forearm ☐ Humerus
 — Lower Extremity (joint) Left Right
☐ Ankle ☐ Hip ☐ Knee
 — Lower Extremity (non joint) Left Right
☐ Femur ☐ Foot ☐ Tibia/Fibula

— MRA Carotids
(w/reconstruction w/o contrast)

— MRA Cerebrals
(w/reconstruction w/o contrast)

If you have any of the following devices implanted in your body you will not be able to have an MRI exam.

- Pacemaker
- Brain Aneurysm Clip
- Battery Operated Pumps
(Insulin, Pain meds, etc.)

- Need to be fasting 3-4 hours before exam.

- Do not wear jewelry (necklaces, bracelets, earrings, etc.)
- Wear comfortable loose clothing
- Do not wear clothing with metal buttons or zippers
- For Females, do not wear mascara

- The exam requires you to lay still for approximately 15 minutes. If you are in severe pain, we suggest that you take pain medication 1 hr prior to appointment time.
- You may eat prior to the exam.

PLEASE BRING
LIST OF MEDICATIONS
